

PgMP® Certification Exam Preparation

"Extend your Program Management Certification and PASS the PgMP Exam from the First Attempt"

Course #: PM0500

Earned PDU: 28 PDU

Duration: 4 Days

Overview:

This training course enables program managers of both acquiring the knowledge, skills as well as tools and techniques that are both important for their career, as well as enables them of attaining the PgMP designation.

The PgMP credential is PMI's first credential designed to demonstrate project and program management skills. To be eligible for the PgMP credential, you must meet specific guidelines that objectively measure experience, education and professional knowledge, and undergo a rigorous application process as well as three assessments. You also must agree to adhere to the PMI Code of Ethics and Professional Conduct. The CAPM or PMP credential is not prerequisites for the PgMP credential.
